Senior Forum 2020-2021

Ole Miss

Engineering

The University of Mississippi
Graduation preparation

September 14, 2020
Commencement in the Circle

The University of Mississippi
Summary of Steps to Graduate

• Student completes the School of Engineering Degree Application

• Student and Advisor review Degree Audit to ensure degree requirements are satisfied

• Department Chair approves Degree Application

• Dean’s Office authorizes UM Diploma Application
Summary of Steps to Graduate

- Student submits UM Survey and Diploma Application in MyOleMiss
- Dean’s Office checks final grades using Degree Audit
- Dean’s Office certifies the degree
- Registrar’s Office records the degree on student transcript and mails Diploma to our new alumni

Alternate E-mail: ____________________________

Information about the Degree you are seeking:

☐ BE
☐ BS General
☐ BSBME
☐ BSCE
☐ BSCS
☐ BSChE
☐ BSEE
☐ BScpE
☐ BSME
☐ BSGE
☐ BSGeol

Required for BE, BS General, BME, ChE, and EE
Declare your degree emphasis: ________________________________

UM Catalog Year to certify your degree:
Find this information in your Degree Audit.
Your department secretary can officially update the year if needed.

Are you a CME student? ☐ Yes ☐ No

Graduation Term: ☐ December 2020 ☐ May 2021 ☐ August 2021

For candidates in any of the three graduation terms above, do you plan to walk in Commencement on 5/8/2021?
☐ Yes ☐ No
Walk in May?
Have you completed an Engineering Co-Op, Internship, or Undergraduate Research?  
☐ Yes  ☐ No

If yes, provide the following:
Company/Program: ABC Construction
Location: Jackson, Mississippi
Employment dates: May 15 - Aug 15, 2019

Did you request any course substitutions from your Department Chair? If so, please list specific course substitutions by name and course number. Attach documentation if necessary:

☐ I have declared an optional minor in MyOleMiss. Minor: Math for Engineering
☐ I will have completed at least 12 of my last 21 hours in residence at the University of Mississippi.
☐ I will have earned at least 25% of my degree in residence from the University of Mississippi.
☐ I will have earned at least 30 credit hours in residence from the UM School of Engineering

The following should be completed based on earned grades plus estimated grades in final coursework.

(1) **Overall GPA** (on all coursework attempted at all institutions of higher education attended)

   *See Degree Audit for this information.*

(2) **Resident Cumulative GPA** (on all coursework attempted at the University of Mississippi)

   *See Degree Audit or UM transcript for this information.*

(3) **School of Engineering GPA** (highest grade earned in all required course work from BME, CE, ChE, C-OP, CpE, CSCI, EE, ENGR, GE, GEOL, MANF, ME)

   *Student should calculate this. Total points / total attempted hours from all domestic degree-applicable coursework in the School of Engineering and domestic equated transferred degree-applicable coursework.*
Degree Audit
• Green lights = GRADUATE
• Red lights = NO GRADUATE
# Degree Audit Report

If your degree audit is not showing green lights as expected, what do you do?

Possible solutions:

- See your advisor to discuss specific issues.
  AP Scores, Transfer credits, Generic transfer credits (1XX)
- You may declare or delete your a minor in myolemiss. (green √, red x)
- Change your catalog year.
- Course substitutions may need to be entered by your Chair.
- Know that GPA and Engineering Dean’s approval are checked in final evaluation
The following should be completed based on earned grades plus estimated grades in final coursework.

(1) **Overall GPA** (on all coursework attempted at all institutions of higher education attended)  
    See Degree Audit for this information.

(2) **Resident Cumulative GPA** (on all coursework attempted at the University of Mississippi)  
    See Degree Audit or UM transcript for this information.

(3) **School of Engineering GPA** (highest grade earned in all required course work from BME, CE, ChE, C-OP, CpE, CSCI, EE, ENGR, GE, GEOL, MANF, ME)  
    Student should calculate this. Total points / total attempted hours from all domestic degree-applicable coursework in the School of Engineering and domestic equated transferred degree-applicable coursework.

See your advisor if you need help calculating your ENGINEERING GPA

13 total hours | 34 total points

\[
\frac{34}{13} = 2.6153 = \text{2.61 Grade Point Average}
\]
1. Only a grade of “C-“, “D” or “F” may be forgiven or excluded.
2. Only four grades (maximum of 14 hours) may be forgiven or excluded during the undergraduate career. A maximum of two courses (not to exceed 7 hours) may be excluded from the student’s GPA calculation without repeating the course.
3. A different course may not be substituted once this petition is approved.
4. The course which is used to replace the “forgiven” grade must have been taken fall 1992 or later.
5. Both the first attempt and the repeated course must have been taken at The University of Mississippi and must have occurred prior to receiving the baccalaureate degree.
6. Both grades remain on the transcript; an R will appear by the original grade (denoting that the course was repeated and “forgiven”); and only the grade in the repeated course will be used in computing the cumulative University grade point average.
7. A forgiven “C-“, “D” or “F” will not change the academic standing which existed prior to the repeated course.

Forgiveness Policy
Form is available on Engineering website. Current Students / Resources and Forms

Scan completed form to registrar@olemiss.edu

Forgiveness

Grade Forgiveness (For a repeated course)

Grade forgiveness forms must be submitted AFTER completion of the repeated course and BEFORE graduation.

Minor - Math for School of Engineering

COURSE REQUIREMENTS
For a student of the School of Engineering desiring to earn a math minor, he/she must first complete the requirements for a math minor as defined by the College of Liberal Arts (15 hrs) and then complete two additional 3-hour math courses at the 300-level or above that are not used to fulfill the degree earned from the School of Engineering with a minimum grade of C in all. Coursework consists of the following:

1. Math 261, 262, 263, 264, and one 3-hour course at the 300-level or above PLUS two additional 3-hour math courses at the 300-level or above that are not used to fulfill the degree earned from the School of Engineering; or
2. Math 261, 262, 263, and 2 courses at the 300-level or above PLUS two additional 3-hour math courses at the 300-level or above that are not used to fulfill the degree earned from the School of Engineering.

Although not 300-level, B.S.C.S. majors are allowed to count Math 264 as one of the two additional math courses since it is not used to fulfill degree requirements. For all majors within the School of Engineering, the math minor for engineering requires a total of 15 hrs + 6 hrs of math coursework.
In table below, list all courses shown as incomplete in Degree Audit at the time of submission of this degree application.

**NOTE: It is your responsibility as the graduation applicant to address any deficiencies before submitting this application to your department. See your advisor if you have questions.**

**Dean’s Office Preliminary Review**
Based on information provided herein, is degree application complete and approved for final review in the graduation term as stated?

Dean’s Office Reviewer, Comments, Date of Diploma Authorization:

Once approved, you will have access to your Diploma Application.

For approved degree applications, **Diploma Authorization** will be granted in MyOleMiss by the Dean’s Office. Students will receive an email to complete a university survey and their official on-line Diploma Application. A one-time $50 diploma fee will be charged to student’s bursar bill.
Diploma Application

⚠️ You have not been authorized to complete another diploma application. If you think this is an error, please contact your Dean's Office.

You have completed diploma applications for the following:

Not Authorized (yet)
Students, you should submit this completed School of Engineering Degree Application as a PDF document (print to PDF) by email to the following four locations: (1) your advisor, (2) the chair of your department, (3) the administrative assistant of your department, and (4) engineer@olemiss.edu.

When your Chair approves your degree application, the Dean's Office will authorize your UM Diploma Application in MyOleMiss.

**Confirmation of Degree**

**Student Applicant:**
I certify this application is accurate and complete to the best of my knowledge.

**Approval by Faculty Advisor:**
I have reviewed the application and based on the information stated, I believe this student is on-track to meet graduation requirements as planned.

**Approval by Department Chair:**
I have authorized and entered in Degree Audit approved substitution courses, verified departmental requirements, reviewed GPA’s (flagging anything of concern), and considered planned coursework. I believe this student is on-track to meet graduation requirements as planned.

**Approval by Engineering Dean’s Office:**
Dean’s Delegates have verified that all catalog requirements have been fully satisfied.

Student’s typed full name above will serve as signature.

Advisor should record approval in Degree Audit notes.

Chair should record approval in Degree Audit notes.

Dean’s delegate should record approval in Degree Audit notes.
Latin Honors (based on both final overall and resident GPA):

- No Latin Honors (2.00 to 3.49)
- Cum Laude (3.50 to 3.74)
- Magna Cum Laude (3.75 to 3.89)
- Summa Cum Laude (3.90 to 4.00)

The School of Engineering adheres to University policy regarding courses taken by a University of Mississippi student at another institution. Written permission must be granted **prior to enrolling** in courses at another institution. This memorandum authorizes you to transfer and apply the above courses and credit hours toward the student’s engineering degree program at the University of Mississippi.

**FOR STUDENT:**

- [ ] I have read the above statement and understand unapproved transfer courses may not be accepted.
- [ ] I understand that it is my responsibility to have an official transcript (faxed transcripts or transcripts hand-delivered by the student are not official) sent to the UM Office of Registrar in order for my transfer course work to be applied toward my degree.
- [ ] I understand that it is my responsibility to notify the Engineering Dean’s Office if I do not complete the course(s) as planned. Notification is required prior to the next academic term.
- [ ] I have attached the appropriate UM Transfer Course Equivalency* (printout) corresponding to the course(s) in which I wish to enroll.

Pre-approval for x-fer work  
37
In the example to the right of star sequence, 4 hr + 3 hr + 4 hr of calculus = 11 hrs and the student missed some important content.
Sub-standard GPA
Minimum Grade-point Average
For the award of a bachelor’s degree from any school or college of the University of Mississippi, a student must earn a GPA of at least 2.00 on all course work submitted in fulfillment of the course requirements for the degree. In addition, the student must earn a minimum GPA of 2.00 on all course work attempted at the University of Mississippi. Finally, the student must have a minimum 2.00 GPA on all college work attempted at any institution of higher learning.

There may be additional grade requirements for the College of Liberal Arts or the professional schools. The School of Engineering requires at least 2.00 in all courses taken from the School of Engineering applicable to their degree.

• IN FULFILLMENT OF DEGREE GPA
• OVERALL GPA
• RESIDENT GPA
• ENGINEERING GPA
### ADVANCED PLACEMENT (AP)

Students who participate in the College Entrance Examination Board Advanced Placement Program and earn appropriate scores on the AP examination will receive the following academic credit:

Students must acquire at least 12 of their last 21 credit hours in residence at the university.

That is, no more than 9 of the last 21 hours may be transfer credit.
At least 25 percent of the semester credit hours required for an undergraduate degree (e.g., 32 hours for a 128-hour degree) must be taken in residence.

At least 30 semester hours of residence credit must be taken in the school or college recommending the degree.
Whenever possible, the university allows a student to obtain a degree by completing the curriculum course requirements in the catalog in effect at the time of the first, or any subsequent, registration at the University of Mississippi or at an accredited junior, community, or senior college, provided the work is completed within six years of the publication date of the catalog used.

In the case of minor changes to a specified curriculum, a school or college may require substitute courses or activities to meet the spirit of the requirements. However, in the case of substantial changes to the curriculum, the university reserves the right to require currently enrolled students to follow a new curriculum.
Licensure Exam Eligible for seniors in CE, ME, GE, EE, ChE
Applicant go to the State Board of Licensure website: [https://www.pepls.state.ms.us](https://www.pepls.state.ms.us).

Select Engineer Intern Application & Forms.

The State Board will request additional qualifying information including arrest records, disciplinary actions, formal name change, etc.

The Engineering Dean's Office annually verifies applicant eligibility for the exam (currently enrolled seniors in good standing with the university, and/or having met departmental requirements).

**STEP 1:** Applicants must then pay the $25 application fee

**STEP 2:** The State Board will authorize approved candidates in the national NCEES database allowing applicants to proceed to the next step of registering on-line with NCEES and selecting a testing center and date. The on-line registration process includes a non-refundable examination fee of $175.
• CLEP Exams
• FE Exam
• GRE
• LSAT
• GMAT
• MCAT
• ASBOG Exam (required for Geology majors)
The Ole Miss Grad Fair is a special event planned to assist you with all your Commencement needs as graduation approaches. The Office of Public Events encourages your participation in this important event. In addition to several other Commencement priorities, Grad Fair will provide you with the opportunities listed below:

- The **Office of the Registrar** explaining the necessary steps for degree application.
- **Career Center** professionals who will help with resumes and interview information.
- Personnel from the **Ole Miss Bookstore** will measure and take orders for Cap & Gown.
- **Herff-Jones** will be available to take class ring and invitation orders.
- **Grad Images** will be available so that students may take their Cap & Gown pictures.
- Representatives from the **Office of Financial Aid** will be available for advising and answering questions regarding student loans and aid.
- The **University and Public Events** office will be available to answer any questions regarding Commencement.
- The **Ole Miss Alumni Association** will be accepting registrations.
- **Class Officers of Class of 2020** will be on hand with information about the senior fund raising project.

**Date:** March 2021
Stay tuned for exact dates.
VENDORS

Alumni Association  662-915-7375
alumni@olemiss.edu

Join the OMAA to stay connected to Ole Miss. Grads receive a Grad Pack including a hat, t-shirt and more. New alums can also order a brick with a special message that will be placed in the Circle on the Ole Miss campus.

Bookstore  662-915-7137
gradsupply.com/university-of-mississippi
A representative at the Ole Miss Bookstore will be available to measure each student for his/her cap & gown and provide pickup and drop-off information.

Career Center  662-915-7174
Resume review, preparation for interviews
The Career Center helps students successfully transition into the work world. The center provides a variety of traditional and technological career-related resources. Its well-trained professionals will help you create your résumé and sharpen your networking and interview skills to help you launch your career.

Grad Images  800-261-2576
Cap & Gown Pictures
Grad Images will be available so that students may take their cap & gown pictures.
